

NURSES FOR SINGLE PAYER

It's a New Year, so let's take action!

**Sen. Wyden needs to hear from us
Portland Town Hall Sun., Jan 5 at 3 pm**

We need a strong in-person presence there! Can you show up to support single payer health care?

Show up at 2:30 pm. If you have one, wear a red T-shirt. The Town Hall will be held at Roosevelt High School, at 6941 N. Central Street, Portland, 97203, in St. Johns.

Though he claims to want universal care, Sen. Wyden has **not yet signed on with Medicare for All.** Sen. Wyden holds a powerful position in the Senate that could make or break a transition to a single-payer healthcare system, particularly if the Senate is controlled by the Democratic party.

We must continue to put pressure on him to change that position, as well as to take the town hall opportunity to educate other voters. If you can't come to the Town Hall, you can call his office at 202-224-5244, or 503-326-7525 or [send him an email](#). Tell him you want him to co-sponsor the Medicare for All Act of 2019!

New Year's Greetings from Carole Most, NFSP Board President

Happy New Year!!

It's 2020. During the last year, the Single Payer movement made unprecedented progress, nationally and here in Oregon!

And nurses have been involved every step of the way! We were so inspired as Rachel Prusak, NP, took her seat in the Oregon Legislature. In 2019, single payer nurses became leaders; we testified; we organized rallies and educational events and fundraisers....

About Us

Nurses for Single Payer (NFSP) is a small, Portland-based organization of energized nurses who believe that health care is a human right. As an active coalition member of Health Care for All Oregon, we focus on informing nurses about the active and growing campaign for universal health care. We have a dynamic board and group of volunteers, and invite you to join us and get involved. We'd love to hear from you!
